Report on National Constitution Day

Reference: NCERT Circular No. F1-1/2017/Misc./Welfare Section Dated: 23.11.2022

Constitution Day (Samvidhan Diwas) was celebrated jointly by RIE, Bhopal and PSSCIVE, Bhopal at "Ninad" Auditorium, PSSCIVE Bhopal on 26th November 2022 to commemorate the adoption of the Indian Constitution.

To reiterate the values enshrined in the Constitution, the students and the faculty, staff joined Prof. Deepak Paliwal, Joint Director, PSSCIVE in reading of the Preamble of the Constitution at 11 am. All the staff members and students reaffirmed their commitment to the Indian Constitution by reading the preamble.

Chief Speaker of the function was Mr. Vijay Chandra, District and Session Judge and Registrar (Administration) National Judicial Academy , Bhopal and Chairman of the function was Sh. Ashok Pandey, Retd. District and Session Judge, Bhopal.

The program began with the welcome address by Prof. Jaydip Mandal, Principal, RIE Bhopal This was followed by address by Joint Director PSSCIVE who urged the student teachers to understand their role in shaping the citizens of India. Prof. Ramesh Babu, Professor in Education in his address elaborated on the historical context of Constitution of India. He also highlighted the diverse aspirations of the Constitution. The Chief Speaker of the function Mr. Vijay Chandra interacted with the students on several articles of the Constitution, meaning of the Preamble, Various Fundamental duties, amendments in constitution from time to time and the Directive Principles of State Policy He also explained the theme of this year's Constitution Day which is "India the Mother of All Democracy".

Sh. Ashok Pandey, Chairman of the function addressed the students and took them on a journey of the framing of the Indian constitution from its history to

its present -day form; and its vital role in bringing together 'an idea
India'.
called

The programme was coordinated by Dr. Shivalika Sarkar, Assistant Professor of Physics. She also expressed her vote of thanks to authorities and all present in the occasion. The programme ended with National Anthem

September 2022

Teachers' Day 5th September 2022

RIE Bhopal celebrated Teachers' Day on 5th September 2022. Students were actively involved in the activities associated with the event. Students of all courses such as B.Sc – B.Ed., B.A.-B.Ed., B.Ed., M.Ed. actively took part in the activities performed in the event to express their respect towards their teachers. The most important part of the celebration was paying respect to Dr. Radhakrishnan, the former President in whose remembrance this day is celebrated.

REGIONAL INSTITUTE OF EDUCATION, BHOPAL
(National Council of Educational Research and Training)

Backdrop

World Population Day-2022 was observed by the Institute on July 2022 in PSSCIVE auditorium. Theme for World Population Day-2022 is declared as **A world of 8 billion: Towards a resilient future for all - Harnessing opportunities and ensuring rights and choices for all**". The main objective of the program was to sensitize the school students and prospective teachers with the diverse issues related to adolescence education and develop an understanding to deal with the sensitive issues pertaining to adolescents. Almost 39 % of Indian population can be channeled in the proper direction if school teachers and students are sensitized about some important issues through such programs along with many other efforts made by Government through various policies and programs. This program may be seen as a very fruitful amalgamation of school students and prospective teachers on the same platform. It was a unique opportunity for prospective teachers to interact with the school teachers and school students directly and understand various aspects related to adolescent education program.

The participants

95 Students from 5 (five) Govt. schools of different localities of Bhopal were invited to participate in the event along with two teachers from each of the school. Students of Demonstration Multipurpose School (DMS) of Regional Institute of Education, NCERT, Bhopal had also participated in the program.

List of participating schools is as follows;

- i. Govt. M G Higher Secondary School, BHEL, Berkheda, Bhopal
- ii. Govt. Girls Higher Secondary School, Govindpura, Bhopal

- iii. C. M. Rise Kamla Nehru Girls Higher Secondary School, TT Nagar, Bhopal
- iv. Nutan Subhash Govt. Higher Secondary School, Bhopal
- v. Govt. Girls Higher Secondary School, Jahagirabad, Bhopal
- vi. Demonstration Multipurpose School, RIE, Bhopal

Apart from the above mentioned school students, prospective teachers of B. Sc. B. Ed., B. A. B. Ed., B. Ed. (two year), B. Ed. M. Ed. (integrated) courses of RIE, Bhopal have also attended and actively participated in the program.

Commencement of the program

The morning of 11 of July, 2022 was drenched with heavy rain the program which was suppose to be started at 10;30 am could started at 11;15 am.

Lighting of Lamp

Respecting the tradition and our culture, the programme was commenced by lighting the lamp in front of Ma Saraswati by Prof. I. B. Chughtai, Professor in education, RIE, Bhopal and Chair person of today's program, guests Dr. Usha Khare, Principal, Govt. Girls Higher Secondary School, Jahagirabad, Bhopal and Dr. Payal Das, Assistant Professor, Laxmibai National Institute of Physical Education, Gwalier, NPEP Coordinator and convener of the program Dr. Rashmi Sharma, Associate professor, RIE, Bhopal and NPEP members Dr. Suresh Makwana, Assistant professor, Gujrati and Dr. Kalpana Maski, Assistant Professor, Physics.

Welcome to the Guests

Keeping in view the Institutes' commitment towards mother earth, the guests and the teachers were offered a warm welcome by presenting saplings to them.

Formal Welcome Note

A warm welcome was offered by convener of the programme NPEP Dr. Rashmi Sharma, Associate Professor, RIE, Bhopal. Also Dr. Rashmi Sharma has briefed the house about programme, its objectives, the relevance of the Observance of World Population Day its history & its theme for 2022. Dr. Rashmi Sharma has also mentioned about the importance of 11 themes under Aayushman Bharat Scheme of Govt. of India for adolescent education in the schools. At the end she emphasized on the role of teachers for holistic development of adolescents for betterment of society and for India.

Presentations by Prospective Teachers

Two presentations were made by the students of B. Sc. B. Ed. Courses. Ms. Mohar Ghosal (IV sem) has presented various aspects pertaining to different issues related to world population, its aspects, and surrounding issues, worldwide trends, reasons of over population, its consequences, role of teachers etc. Second presentation was made by Ms. Priya Jain & Ms. Prachi (II sem) comprising of difficulties related to population and new age solutions to eradicate reproductive health related issues, poverty and overpopulation. These presentations were very useful as they could set a tune for the program and have enriched the knowledge pool of audience, particularly of school students.

Presentation by School students

To represent school students, one more presentation was made by the student of class 10 from Govt. Girls Higher Secondary School, Jahagirabad, Bhopal. She has shared her understanding about adolescence issues; the problems faced by the children in this specific age group and expected contribution of the youth in the national building.

Activity-1. Extempore Speech

An **Extempore Speech** activity was organized by the NPEP team for school students. Topics for the extempore were selected based on the various issues from the surrounding of the children and the issues pertaining to adolescence education those are discussed under Aayushman Bharat scheme. The purpose of organizing the extempore speech was to provide an opportunity to the school students to open up their minds, their thinking in front of the teachers and the experts so that the experts can understand them and can provide best of the intervention to the students in the forth coming activity named Pannel Discussion.

Motivation and Guidance Provided by Judges

Every activity should be a learning experience for all the students. At the end of the extempore activity, the judges, Dr. Sanjay Pandagale, Associate Professor, Education, Dr. Sarika C. Saju, Associate Professor, Sociology, Dr. Sangeeta Pethis, Assistant Professor, History have provided guidance to the students for further improvement in this area of extempore e.g. understanding of topic, arranging thoughts in the sequence, selection of appropriate words and analyzing all possible aspects of the topic within short span of time. Also, they have helped the students to understand the various topics given for the extempore from diverse view points. This was, indeed, a very fruitful learning experience for the school students those were participating and for the students listening to them. Indeed, this has created more awareness among children, fulfilling the motto of the day.

Outstanding Performers were honored on the stage along with their teachers

Activity 2 - Question box Activity

After a mind blowing extempore session, now was the time for a fun activity named **Question box Activity**. A question box was created by putting all the queries of the students for the esteemed panel to answer. The students were advised to put their unanswered questions related to any aspect of adolescence in the box which they generally hesitant to ask to teachers and parents. At the end questions were handed over to the experts of various areas for responding to the questions. The experts went through every question patiently and answered them as well as they could. Each panelist has responded to the questions related to the field of their expertise. Student volunteers of B. Sc. B. Ed. & B. A. B. Ed. have helped to organize this activity.

Activity-3 - Panel Discussion

As the last activity of the program, a Panel Discussion was conducted for the students in which faculty members of RIE, Bhopal have enlightened the students on various aspects of overall wellbeing and holistic development of the students. The following panelists have provided guidance to the students;

- i. Prof. I. B. Chughtai, Professor in Education - **Creating Inclusive Environment in the school**
- ii. Dr. Sarika C. Saju, Associate Professor in Sociology – **Gender Equality and girl power empowerment**
- iii. Dr. Rashmi Sharma, Associate Professor in Chemistry – **Health, Nutrition and other related issues pertaining to adolescents**
- iv. Dr. Payal Das, Associate Professor, LNPE, Gwalior – **Demonstration of some yoga and meditation related tactics for improving concentration and spiritual health of the students**
- v. Dr. Saurabh Kumar, assistant Professor in Education – **Mental Health and overall wellbeing of the students**
- vi. Dr. Mahendre Barua, Physical Education Teacher – **Physical Fitness & Exercises for adolescents**

Activity 4 – Poster Making

A poster making activity was organized by NPEP team of RIE, Bhopal in the schools for students on Saturday, July 09, 2022. Handmade posters made by students were displayed in the auditorium and all the students and teachers were advised to have a look of the posters and read the messages portrayed through the poster. All the students those have participated in the poster making activity were provided with the certificate of appreciation and with a sapling to plant it in the school premise.

Certificates and Prize distribution

Every student who has participated in any of the activity was provided with the certificate as a token of appreciation. A sapling was also provided to each of the student and teacher to remind them about their social responsibility towards environment. It was symbolize as a collective move towards greener earth. Students were made to promise that they will plant the sapling in their respective schools and will take proper care of the plant. A group photo was taken to make this program a memorable one.

Speech by Guest of honor and Chairperson

After price distribution, a wrapping speech was given by Guest of Honor Prof. Aushman Goswami, Professor in Education, RIE, Ajmer. Prof. Goswami has motivated the students and provided very important tips for holistic development of students. He has also

emphasized on the realization of the inner potential and significant contribution of the students in the interest of the society.

Prof. I. B. Chughtai, Professor in Education, RIE, Bhopal and chairperson of today's' program has motivated the students by his speech. His words of wisdom enlightened the whole atmosphere. The speech was all about the solutions, positivity and inclusiveness which really motivated the students.

Vote of Thanks

At the end vote of thanks to everyone was offered by Dr. Suresh Makwana, Assistant Professor in Gujarati, RIE, Bhopal

The National Anthem

Program ended with Rastragan sung by everyone present in the auditorium.

Refreshment

Students, teachers, guests and everyone involved in the program were served with a small packet of refreshment. Team of MTS from different departments was instrumental to take care of everyone by distributing refreshment at the end of 4 hours long program.

A beautiful after rain sun came out by the end of the program instead of heavy rains of morning, during commencement of the program.

This is to certify that Ms/Mr. _____ of class _____
school _____ has participated in _____ activity, with
secured position _____. The programme organized by NPEP cell, Regional Institute
of Education, NCERT Bhopal on the occasion of **World Population Day** on June 11, 2022. We appreciate
your effort and wish for a bright future.

World Environment Day 5th June 2022

Cleanliness drive by faculty and students of RIE

REPORT

World Environment Day celebrations at Regional Institute of Education Bhopal

5th June, 2022

World Environment Day was observed on 5th June 2022 with great enthusiasm. A total of 395 students and 27 faculty members participated with full energy. The program began at 06.30 A.M. with cleaning of the campus. During cleaning the campus, students carried with them 25 polythene gunny bags. RIE faculty members accompanied the groups for this cleanliness drive. All of them participated in clearing the plastic waste and other materials in the campus.

Cleanliness drive by faculty and students in RIE Bhopal campus

Cleanliness drive by faculty and students in RIE Bhopal campus

Cleanliness drive by faculty and students in RIE Bhopal campus

The message of environmental conservation was given by the students with the help of handmade posters and recitation of slogans on the theme "Only One Earth".

Posters made by students on the theme "Only One Earth"

Students and Faculty members assembled after cleanliness drive

To spread the message of planting more and more trees to make our mother earth full of greenery, plantation was done in the newly constructed Bharat Ratna Shri Atal Bihari Vajpayee Gyan Niketan hostel. Students also performed different activities to spread the message of environment conservation.

Plantation by Students in Bharat Ratna Shri Atal Bihari Vajpayee Gyan Niketan hostel

Plantation by Students in Bharat Ratna Shri Atal Bihari Vajpayee Gyan Niketan hostel

Plantation by Faculties and Principal in Bharat Ratna Shri Atal Bihari Vajpayee Gyan Niketan hostel

This included recitation of poems and slogans. Faculty members put forward their views and ideas about environment conservation.

Prof. Jaydip Mandal, Principal RIE Bhopal stressed on motivating oneself towards protecting the environment. He also stressed that we should minimize our needs so as to save our environment. He urged to start a green campus movement at RIE Bhopal and requested everyone to participate in it. He further said to plant more trees for environment conservation. Dean (Research) pointed out that we all are responsible for polluting our environment. We cannot imagine life without plastic as all eatables and other daily life products available in plastic containers/bags. Some of the faculty members have already planted more than 115 trees in the RIE Bhopal campus garden. Other faculty members urged that we all should protect environment if we are willing to protect ourselves. Students were advised to carry their own bags while going to the market for shopping.

Students shared their experiences of innovative ways of environment protection and reducing of plastic waste. One student collected used bottles from the canteen and converted them into beautiful flower vases to grow plants.

Flower vases made out of waste bottles by Vineeta, BSc Bed II Semester (CBZ)

We should create "Plastic free Campus" as suggested by our Hon'ble Director, NCERT. He further suggested that RIE Bhopal campus should look greener and healthier with more plantation. In addition, setting up of rain water harvesting system and sewage treatment plant along with the development of agriculture and animal husbandry will substantially contribute towards sustainable development in the campus. The aim will be to make our hostels self-reliant in terms of needs by the inclusion of all these.

Interaction of faculty and students about environmental awareness and making the Earth sustainable and healthy for humanity
