As a prelude to Vigilance Awareness Week, 2024, the Commission has desired that all organisation may undertake a three-month campaign from 16th April, 2024 to 15th November, 2024 on Preventive Vigilance. In this context, one of the focus areas is **Dynamic Digital Presence**.

Citizens/Stakeholders visit the website seeking details/information and therefore, all organisations should be prompt in regular updation of their website for greater transparency and better service delivery.
