## **About the Course B.Ed.**

The Two-year Bachelor of Education Programme, generally, known as B.Ed., is designed based on the recommendations of the National Council for Teacher Education (NCTE). This is a professional course that prepares teachers for upper primary or middle level (classes VI-VIII), secondary level (classes IX-X) and senior secondary level (classes XI-XII) for applicants with post-graduation. The curriculum is designed to integrate the study of subject knowledge, human development, Pedagogical knowledge and communication skills. This Programme specifically provides quality teachers for secondary schools in Science, Mathematics, Language and Social Science. The students admitted to the course every year opt for either Science and Maths or Social Science and Languages. This entitles them to become efficient teachers of Science/Mathematics, and Social Science/Language. The course is so designed in such a way that the students will be well versed in content as well as pedagogy. Through CEE-2023 candidates will get opportunity to get admission in B.Ed. in any one of the RIEs at Bhopal, Ajmer, Bhubaneswar, Mysuru and North East Regional Institute of Education (NERIE), Shillong based on their state of eligibility.
