

VISION/Mision:

The institution has well defined Vision and Mission. It sets its Vision and Mission as per regional, National and Global requirements and maintains flexibility in adapting significant changes in the field of school and teacher education. The Vision of the Institute is mentioned below:

VISION Providing universal, inclusive, value based and equitable quality education and creating a culture of excellence in teacher education for enabling the building of just, equitable and a sustainable society and thereby contributing towards national development.

[RIE Bhopal](#), is committed to educational excellence, equity, quality and constant pursuit of knowledge in the areas of school and teacher education to achieve the goals of NCERT.

The vision of RIE Bhopal is to provide inclusive, value based and equitable quality education and creating a culture of excellence in teacher education for enabling the building of just equitable and a sustainable society and thereby contributing towards national development.

Mission

Developing humane teacher educators capable of nurturing students in rational thinking and action, possessing compassion, empathy, courage and resilience.

Producing engaged, productive, and contributing teacher educators for building an equitable, inclusive, and plural society as envisaged by our Constitution.

Fostering global competencies among students such as collaboration, problem solving, team work and promoting the use of technology with sensitivity towards digital citizenship.

Motivating and handholding in-service teachers in content enrichment, pedagogy, 21st century skills, research in education, achieving equitable, universal quality education and creative use of ICT in the teaching learning process.

Contributing to National development by serving the cause of social justice, ensuring equality and increasing access to higher education.

Following the "Education for all" objective of the Nation, through the reservation policy to provide equal opportunity to every section of society.

- Inspires students to learn and facilitate for their overall development: intellectual, physical, and emotional.
- Motivates students for learning throughout life.
- Prepares and empowers students to be successful by helping them develop their knowledge, skills and abilities needed to progress within the institution.
